PROOF APPROVAL FORM

This PDF proof should be used only to inspect and approve layout, spelling, dimensions, and color separations and is not indicative of the print quality of the actual printed labels. PDF proofs are not to be considered as color-accurate since monitors and printers can vary greatly. PMS colors will be converted to the closest process (CMYK) matching colors. By signing off on this proof, you acknowledge that we have engineered this job correctly. You are accepting that what is seen on this proof is CORRECT. If this copy is incorrect, and is approved, you'll be responsible for the total cost of reprinting. Please be diligent in your approval process.
